Nashville Incubator

# Mastering the Blueprint

## In Planning Educational Facilities - Key Notions

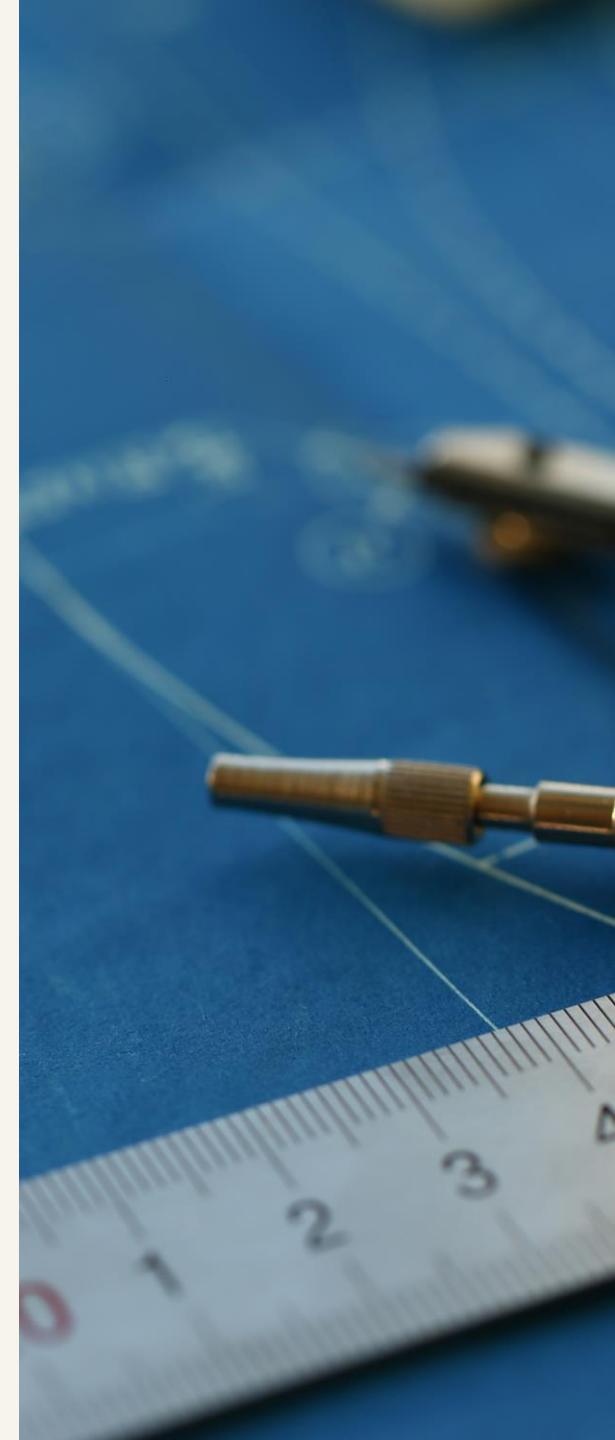

1 | It is imperative to have a vision

2 | Get your financial house in order

3 | Find mission aligned A+ partners

4 | Collaborate with the wider community

5 | Expect the unexpected

---

**It is Imperative  
to Have a Vision**

# 22Beacon's Design Principles

## 1 | Mission & Identity Driven Design - *Celebrating the Collective*

## 2 | Community Rooted Design - *Establishing the sense of place*

3 | Design for Well Being - *Promoting Individual and Collective Well-Being*

4 | Equity-Centered Design - *Building Common Ground*

5 | Design Dynamic, Adaptable & Sustainable Learning Spaces - *Future Proofing*
